Into University

Year 6 had a wonderful week at Into University learning all about Engineering. Our clever students built towers, cleaned water, raced rockets and even got to meet some real engineers! After a brilliant school trip to Armley Mills, we all graduated on Friday from the University of Leeds! What an inspirational week, watch out for the engineers of the future!

School Parliament Elections

We will be holding School Parliament Elections for children in Year2-6 on Thursday 20th October. Any children who are interested in running for election need to make a poster to be displayed in their classroom. The potential candidates will also make a short speech the day before to say what they would do if they were to be elected. On our 'Polling Day' the children will vote for their favourite candidate to represent their class. The role will involve representing their class and voicing ideas to the rest of the parliament. Meetings will be held once a month at lunch time. We look forward to seeing the children's posters around the school.
