

Dear Parents,

During your child's time at school there may be times when we would like to broaden the children's environmental experiences related to topic work by organising local visits and walks.

Before we can do this, it is required, that we have to have your permission in writing. However, as the weather can be unpredictable, we cannot always give sufficient advance notice to inform you in writing of each and every occasion. We would be grateful if you could sign the form below and return it to the class teacher as soon as possible.

If we are planning a trip further a field, we would of course, give you further notice and details.

Thank you for your assistance in this matter.

Yours sincerely

Mr.C. Upton
