

ALVESTON CofE SPORTS PREMIUM 2016 - 2017

TOTAL AMOUNT TO SPEND £16,962

Together with a carry forward from last year, the school has a total of £16,962 to spend.

This year we are utilising some of the money for Zumba and Hooping classes following the success last year. Our specialist teacher will return in the Autumn term to take 5 Hooping classes and 5 Zumba classes with each year group. These sessions will build upon each other and the class teachers will have 'in-house' training, observing and taking part in these sessions.

In addition, we are keen to develop some of our 'big' resources. We unfortunately lost our long jumps and high jump pits a few years ago when our new build was completed. A permanent feature again will be a huge benefit. Children will be able to practise all year round and they will also be able to develop their skills during structured lunch times.

We would also like to develop an area at the front of our school so that it can be used all year round, thus ensuring physical activities can place in the fresh air no matter what the weather. We will have to make up some of the money through our own fundraising.

Breakdown of costs:

Resource / Action	Cost
Artificial grass	£18,000
Installation of long / high jump pit	TBC
Forest School First Aid Training	£600
Zumba and Hooping Specialist classes	£1,600
