Pupils to be taught to create sketch books to record their observations and use them to review and revisit ideas.	Mythical Creatures: clay work; sketch work Ancient Greek Amphora designs	Local Artists e.g. Hockney Landscape paintings Fabric Collage with embroidery (river link)
Design and Technology	Enterprise Project (health and nutrition) What shape should your pastry be? (Nuffield DT Project) STEM Projects should be practical, creative and in relevant contexts. Each should include the design, make and evaluate process.	Ancient Greek Sandals	Model wind turbine (compare to coal fired). Which are the best blades for generating electricity?
Music	Songs for Harvest Festival Songs for Christmas Production Five Gold Rings; Glockenspiel 3	Songs for Easter Service Stop Benjamin Britain – Cuckoo!	Big Sing Mama Mia Reflect, Rewind and Replay (4)
Modern Foreign Language	Autumn Core Make direct contact with France. Festivals/celebrations from different countries; animals; Three Billy Goats Gruff; Family tree; Nativity Oracy and Literacy (Reading and Writing) objectives to be covered throughout in each area of study.	Spring Core Aspects of everyday life compared to own Fruit; The Very Hungry Caterpillar; Buying ice creams	Summer Core Present information about an aspect of culture Sports Places in towns
Physical Education	Dance (Longcroft Showcase); Netball/Bench ball; Gymnastics, tag rugby	Dance; Uni-Hoc/Dodge ball/Volleyball; Gymnastics; Football	Rounders/Cricket/Tennis; Athletics; Outdoor and Adventurous Activities
Computing	E safety; Interactive Document: Mini website (linked to class topic) Spread sheets (XC maths – analysing and representing data)	E safety; Data logging (XC Science) Video (XC RE/French) Networking and understanding the internet (XC scientific understanding and DT)	E safety; Programming with Scratch (link to topic); Using ICT for Reading Creating a Year Book Scratch simulations
PSHCE	Staying Safe: Classroom Risk Assessment; Getting on and Falling Out (SEAL); Anti-bullying week	Good to be Me (SEAL); Harmful Substances Diversity week	Changes (SEAL) Enterprise week

Key Stage 2 Long Term Curriculum Planning, Lockington CE VC Primary School
(Year 3 of a four year rolling programme: 2016-17)

	Cycle C		
Term	Autumn	Spring	Summer
Christian Value	Friendship; Compassion	Perseverance, Service	Creativity; Generosity
History	The Railways (National Railway Museum).	Invaders and Settlers: Anglo-Saxons and Scots	Invaders and Settlers: Vikings (Jorvik)
	Historical skills and chronological understanding on-going in every enquiry.		
Geography	UK region (North East): Human and physical geographical comparisons (Place Knowledge).	Mountains, Rivers and Coasts (link to mathematical rivers investigation).	Link to history topic to provide a geographical context.
	'Location knowledge' and 'Geographical skills and fieldwork' (as appropriate) on-going in every enquiry.		
Religious Education	Belief in the community	Saints and Heroes	Our World
	Focus religions: Christianity, Islam, Buddhism		
Art and Design	View from a railway carriage. Colour mixing/ wheel.	Tartan (weaving)	Illuminated letter
	Pupils to be taught to create sketch books to record their observations and use them to review and revisit ideas.		
Design and Technology	Enterprise project Railway Track	Food for Life: Understanding food labels and designing a better breakfast (link to breakfasts in different cultures)	Viking Long Ship Project (homework) Puppets
	Projects should be practical, creative and in relevant contexts. Each should include the design, make and evaluate process.		
Music	Songs for Harvest Festival Songs for Christmas Production Don't Stop Believin'; Bells Ring Out	Songs for Easter Service Classroom Jazz 1 Benjamin Britain – A Tragic Story	Stop! Reflect, Rewind, Replay.
Modern Foreign Language	Autumn Core Transport (link to railway station); In a café	Spring Core Cities and Rivers; Body Parts	Summer Core Holidays; Chapeau!
	Oracy and literacy objectives to be covered throughout in each area of study.		
Physical Education	Dance (Longcroft showcase) Netball/Bench ball Gymnastics Tag Rugby	Dance Uni-Hoc/Dodge ball/Volleyball Gymnastics Football	Rounders/Cricket; Athletics Outdoor and Adventurous Activities Swimming
Computing	E safety Using and understanding the internet and e mail (XC PSHCE) Programming using Logo (XC Maths)	E safety Databases and graphing (XC science) Manipulating Images (XC Art and Design and DT)	E safety Algorithms and programming: Junior insight (XC problem solving/applying number) Control boxes (XC DT – model making)
PSHCE	Staying Safe: Classroom Risk Assessment; New Beginnings (SEAL) Anti-Bullying Week; Enterprise Democracy and the rule of law.	Going for Goals (SEAL) First Aid Diversity Week; Fair Trade Fortnight Mutual respect and tolerance for those with different faiths and beliefs.	Relationships (SEAL) Road Safety Enterprise week Individual liberty

Key Stage 2 Long Term Curriculum Planning, Lockington CE VC Primary School
(Year 4 of a four year rolling programme: 2017-18)

Term	Cycle D		
	Autumn	Spring	Summer
Christian Value	Justice, Truthfulness	Courage; Thankfulness	Respect and Reverence; Forgiveness
History		The Maya: Contrasting Non-European Society	Changes in leisure and entertainment from C20 to the present day.
	Historical skills and chronological understanding on-going in every enquiry.		
Geography	Earth Matters: Climate Zones and Biomes; Recycling.	A South American Region: Human and Physical Geographical Comparisons (Mesoamerican)	Around the World
	'Location knowledge' and 'Geographical skills and fieldwork' (as appropriate) on-going in every enquiry.		
Religious Education	Remembering	Faith Founders	Encounters
	Focus religions: Christianity, Islam, Buddhism		
Art and Design	Create art using recycled items. Environmental art	Mayan art: study Mayan art and use this as inspiration for own brightly coloured designs (artist: e.g. Dan Fenelon).	Famous artists: Mondrian/Warhol
	Pupils to be taught to create sketch books to record their observations and use them to review and revisit ideas.		
Design and Technology	Enterprise project: jewellery/bags from recycled materials; 3D Christmas card.	How will your Mayan creature open its mouth? (ref to Nuffield DT Project)	Is my drink cool? Designing a healthy drink (ref to Nuffield DT project)
	Projects should be practical, creative and in relevant contexts. Each should include the design, make and evaluate process.		
Music	Songs for Harvest Festival; Songs for Christmas Production; Livin' on a Prayer Benjamin Britten – A New Year Carol	Songs for Easter Service Classroom Jazz 2 Fresh Prince of Bel Air	Make you Feel My Love Reflect, Rewind, Replay (Link to leisure and entertainment topic).
Modern Foreign Language	Autumn Core; Pencil case and furniture Drawing Materials and DT materials: making a Christmas Card	Spring Core Clothes and fashion Buying Clothes	Summer Core Hobbies and School Subjects Le chateau haute
	Oracy and Literacy (Reading and Writing) objectives to be covered in each area of study.		
Physical Education	Dance (Longcroft Showcase) Netball/Bench ball Gymnastics Tag Rugby	Dance Uni-Hoc/Dodge ball/Volleyball Gymnastics Football	Rounders/Cricket/Golf Athletics Outdoor and Adventurous Activities
Computing	E safety; Interactive document: Mini Website (linked to topic); Spread sheets (XC Maths)	E safety; Data Logging (XC Science) Video (XC French/RE)	E safety; ICT Skills for reading Programming with Scratch (XC Topic) Creating a Year book ; Scratch Simulations
PSHCE	Staying Safe: Classroom Risk Assessment; Getting on and Falling Out (SEAL) Anti-bullying week; Democracy and the rule of law.	Good to be Me (SEAL) Harmful Substances Diversity week; Mutual respect and tolerance for those with different faiths and beliefs.	Changes (SEAL) Enterprise week Individual liberty
