

Theydon Bois Primary School has achieved the Sainsbury's School Games Bronze award, which is based on our Sport and P.E. provision each year. Thank you to the members of staff and parents who allow us to attend these events each and provide such excellent sporting opportunities each year.

Our School Games Committee have been working hard over the last two weeks to write reports on the different sports events that have happened in our school.

<b>Event/Competition:</b>	<b>Football League – Buckhurst Hill</b>	<b>Date:</b>	<b>5.10.16</b>
<b>Venue:</b>	<b>Theydon Bois Primary School - Field</b>		
<p><b>What happened at the event?</b>  The Smashing game took place in after school hours on our field. The boys informed us they didn't pass the ball fast enough at the start which didn't give them enough power to score as many points. Some boys complimented Lenny on being a brilliant goal keeper. Alex and Teddy scored and Jonny was a good defender. Well done to the skilled footballers who took part especially team captain Adam. It was a good game but unfortunately they lost. The score was 8-2 to Buckhurst hill. Well Done to all the athletes that played!</p>
