Dear Parent(s)/Carers(s),

Please could we ask that the children do not play on the climbing frame on the infant playground at the end of the school day. The children in Class 4 continue with their learning until 3.30pm and it can be distracting for them.

The other reason being that should children fall and hurt themselves, they are in your care but on school property and are therefore not covered by insurance.

For this reason we also ask that parents waiting to collect children in Key Stage 2 wait outside the school gates until the 3.30pm bell has sounded. This is again distracting for the children learning in Class 3 or for lessons that take place outside.

Many thanks for your cooperation with this.

Mrs M Servent  
Headteacher
