- some questions were left blank as children might not have understood them
- teachers read out the questions to our youngest pupils
- some pupils coloured in all the faces and so the survey had to be discarded

#### Action:

-  Any questions scoring less than 80%, in the greyed out boxes, will become a discussion point in PSHE lessons to help identify why some pupils may think this and how the class and the teachers can respond to improve future outcomes.
-  Questions highlighted in pale green are whole school issues and are addressed through the expansion plans and will be discussed by the School Parliament.
