Black History Month Competition

20th October 2016

Dear Parents/ Carers,

During October, we have been celebrating 'Black History Month' and talking about the successes of famous black men and women.

Over the next two weeks, we would like your child to research a famous person from 'Black History' who has done something inspiring. We are asking the children to design a poster about their chosen person which should include a portrait and a biography. Children should be able to discuss with their class why their chosen person is inspirational to them. There is no specific layout so please be as creative as possible. Prizes will be awarded to each class to reward children's efforts.

All entries will be displayed for the whole school to look at after half term so please return your child's entry by **Monday 31st October** (the first day after half term).

If you have any questions, please ask myself or your child's class teacher.

Please find a suggestion list on the reverse of this sheet.

Many thanks,

Mr. Moran

(EMTAS Co-ordinator)
