October 2016

Vision Day

I am really excited and looking forward to our first Vision Day on Wednesday 26th October. You will have seen the recent letter inviting you to the day, which will involve setting our vision for the school. There will be a variety of activities including three identical workshops at 2.00pm, 4.00pm and 7.00pm which you are invited to participate in. Hopefully you will be able to join us and help us to continue to move our school forward. Please let the school office know, if you haven't already done so, if you are able to attend.

Mr. C Upton

Communication

SShh ! We are pleased to announce that a new website is under construction and should be ready for release very soon.

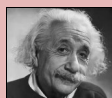

We are constantly trying to maintain and improve our communication with parents and carers.

We have Class Dojo, Newsletters, the website, letters in reading bags and emails. We have an established Parent Email System which we use for most correspondence. If you would like to be included in this, then please email itcoord@tarletoncommunity.lancs.sch.uk and enter 'Parent Email' in the subject box followed by the year of your eldest child. This will add your name to the system and you will begin to receive letters and other correspondence by emails.

House Names

Thank you so much for your support and help in suggesting and voting for your children's TCP House Names. The votes have been counted and the following house names can be revealed:

Albert Einstein

Laura Kenny

Roald Dahl

Tim Peake

The children across all year groups will now be assigned a house, in true Harry Potter style, which will be used for many activities and events in the school year. We feel sure the children will be inspired by these amazing people.

School Council

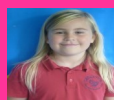

The School Council has been re-elected and are meeting every Monday with Mrs Marshall. They are a very enthusiastic bunch and the Council are always a huge influence in the school.

Chairperson Abi Prendergast says, "We are the voice of the children at TCP and we are looking forward to organising many events and initiatives in the coming year."

Charity Hair Cut

Well done Angus!

Just in case you missed the charity haircut in the school playground pictures here are the before and after pictures! Angus, in Year 4, raised a huge £800 for 'The Little Princess Charity Trust' which was doubled by Vodafone to £1600.

We are very proud of you Angus!

Sport at TCP

The Year 5/6 football teams have played 7 games already this season. The A

Team are 4th in the league and the B Team 8th. So far so good!

Recently, seven of our players took part in a penalty shoot, at half time, during the PNE v Aston Villa match.
