

A new way to order your school dinner!

In the past it has been difficult for some children to get their preferred choice of dinner or sometimes, when they get to the front of the queue, their favourite food has all gone!

We want to make sure that every child gets their first choice of dinner and so the School Council have come up with a brilliant plan!

Each morning, you will choose whether you would like the meat (**red band**) option, the jacket potato (**yellow band**) option, the vegetarian (**green band**) option or the sandwich (**blue band**) option. You will then wear this when you go for your dinner so that the dinner ladies know exactly which lunch you chose that very morning! Please tell your class school councillor whether you vote 'yes' or 'no' to this new system!

Please vote 'YES' or 'NO' for the new dinner selection system	
YES	NO
TOTALS	TOTALS
150	39

Our classes have voted democratically **FOR** the new dinner selection system.
