Important Reminder - Parking and driving near school premises

For the safety of all our children and families, please ensure you drive carefully when approaching school and park safely in the roads around school. We are continuing to work with the Community Police and City Council to ensure the roads around school are as safe as possible.

We are relying on your support with this important matter.
Please do not park on the zigzag lines around school premises.
Please be careful not to park across neighbours drive ways.

Come on everyone!
