

Our Community Prayer

Dear Lord,

Thank you for all the people, young and old, in our community,

For the occasions when we come together to celebrate and to remember,

For our beautiful surroundings, the sparkling brook and the colourful trees.

Help us to respect our neighbours and to give help when needed,

To work together to build our community in new ways,

Help us to keep what we value and to face new challenges.

Forgive us when we take things for granted,

Or when we expect others to do everything,

Let us work together for a respectful and peaceful community.

Amen
