

The Prayer of Welcome

Dear Lord,

Bless our schools and let them be places of peace, love and respect.

Spread brightness over our school communities to help us care for each other, as you care for us.

Guide us to understand that it does not matter if you are black or white. We are all equal in your eyes.

Help us to respect each other's beliefs and give us wisdom to show our love for mankind, so that we may live in peace and harmony together.

Amen

A Prayer for Sending

Father God,

Thank you for giving us the opportunity to explore and learn about other faiths.

Give us wisdom to show love and respect for all mankind.

Keep us safe this night in the knowledge that you are always near.

Amen
