7. Remember to do your work as neatly at home as you do in school.
8. This is your 'My Choice' book. You can present your work however you wish. Show us how you like to learn and just what you can do!
9. You will be asked to share your work with the whole class or perhaps one of your friends, as well as your teacher, so make sure you do your best!
10. You can discuss your work with your parents/family but remember you must do the work, not them.
11. You can ask a grown up at home to write a comment on your work before you bring it back to school.
