

Week 3

Friday 23rd September

## What a great week we have had.

Mr and Mrs Twit have helped us develop our learning this week as we have continued to develop our describing skills. We have been choosing good words to describe Mrs Twit and 'Fred Talking' the sounds to make great phonic attempts at our spelling.

In science we have been developing our knowledge for the names of different parts of the body that we all have. James let us draw around him and we all helped write the labels. Shin, calf, jaw and ear lobe appeared to be new words to lots of us.

## Jellycam

We have made amazing 'movies' today. With our learning partner we chose one of the Enormous Crocodiles clever tricks.

We used 3 different characters and worked together to take the screen shot and then to move the characters before taking the next shot. At the end we named our movie and saved it. Look out for some on the new web site... coming soon....

## Reminders

*Please bring a*

*water bottle*
