

Week 4

Friday 30th September

Autumn is here!

This week we have used poetry to inspire our learning. We have created new verses to the poem, "It's autumn!" We have learned how to use our senses to further develop good, descriptive skills. We have looked at the sounds we hear and the signs we can see, that tell us we are in the season of autumn.

In maths we have been developing our accurate counting skills. We have been learning to write the numerals correctly and how to spell the number words, one, two, three, four, five, six, seven, eight, nine, ten. Have a go at home if you wish. Year 1 were all very pleased with how they improved.

In art we have been developing our cutting and drawing skills and using collage for effect. We have made delightful hedgehogs and autumn leaves. Maybe you could put both together and make leaf hedgehogs!

Reminders

Please remember

coats every day.

Next week:

We will be continuing with our autumn theme and using owls to inspire our learning. If you have any stories, toy owls or pictures you'd like to bring in, we would love to see them.

Home learning this week:

It has been lovely to share the home learning you have sent in this week. Please choose another of the six activities to have a go at next.

Name: _____ Date: _____

Well done to everyone for bravely standing up in Harvest assembly to share our September Rainbow. I was very proud of you all.

Thank you to Freddie for explaining how you made your Houses of Parliament model. We were all very impressed with how you created it.
