

## National Poetry Day and Owls

This week we have used our senses to help us find out about autumn time and to describe what we can see, hear, smell taste and touch.

On Thursday, National Poetry day, we used our great ideas to make a class poem about autumn. Some of us were so inspired, we made up our own too!

Thank you for all the owls and owl stories you have brought into share. We have made moving owl pictures in DT and will be developing these skills further over the next weeks. In art we amazed ourselves with using good observation skills to sketch like a real artist with special sketching pencils. Our autumn leaves are full of careful detail.

In Maths we have developed our skills of using

the empty number line, on our counting stick, to spot position of numbers. What comes before 4? After 6? What is 1 less than 9? What is one more than 2?

## Reminders:

Please remember to still send in a **coat** . As the weather turns colder please **name all hats, gloves and scarves.**

*Please remember to **name your water bottle** as some are the same.*

*Remember joggers or leggings and sweatshirts for outdoor PE*

We have brought home our school login for purplemash. **Please look in your book bag.**

## Home learning this week:

We love sharing the home learning on a Friday, it is always brilliant to see what the children have done!

Please choose another to do this week.

Well done to Alex, Aine and James. You thought of different ways to make your Houses of Parliament and the London Eye. Great posters by Merlin, Percy and Lily K too. Jolly well done!
