

News from us

Week ending Nov 4th 2016

From Mrs Barber

Curriculum letters are out this week, please read and share with your children. If you feel you can help in any way in developing the children's learning in school on their theme please let us know. Visits to Tesco's Fork to Farm Event, George's Marvellous Medicine and other visitors have already been booked to link with their learning across this term.

Biscuit Week for NSPCC and Acorns

Next week—for one week only the school council are organising the sale of donated biscuits at pay time. Children can buy them using their own coins 1p, 2p, 5p and 10p to make the given prices. All money will go to the children's chosen charities.

This tasty activity will also help children recognise their coins and pay small amounts while our older children will be checking and giving change!!

Its Winter

Please wear your Winter Uniform and ensure you have your blue tracksuits for outdoor games and coats in school.

Ties

New ties will be on sale in the school office from Monday at £3.50 each.

Many Happy

Returns to:

Carla

Alfie B

Who celebrated their birthdays this and last week.
