

Welcome to Year 1 Class 8

Dear Parents and Carers,

We hope you have had a lovely time over the summer and we are sure you are now ready to start the new school year, so welcome to Year 1! We are looking forward to getting to know you and working together so that we have a very exciting and productive year. We hope that you enjoy the new challenges and approaches to learning that Year 1 has to offer and we hope you have lots of fun too!

Transition from Reception to Year 1

Our aim is to ensure that the children experience a smooth transition from the Foundation Stage to Key Stage One. The Year 1 curriculum builds upon and extends the experiences that children have had in Reception. Learning through play will continue to be an important part of the school day, and the children will gradually be eased into more formal learning as the year goes on so that they remain motivated, enthused and eager learners. Wherever possible, we will try to follow the interests of the children within our learning and we will encourage following up this learning at home. Please don't hesitate to come and see us either before or after school if you have any questions or queries.

Reading in Year 1

Your child will continue to be given a reading book and their reading diary to bring home on Friday every week. The children will also have lots of opportunities to read and enjoy books throughout the week at school and hopefully at home to. In addition to a reading book the children will be given some spellings each week, which will be informally tested the following week. Please return book bags each **Thursday** so that we can ensure all books are changed by Friday and are ready to go home at the end of the school week.
