

## Pikes Lane Primary School

### Results 2016

This year, the government introduced much more challenging tests at the end of Key Stage 1 and Key Stage 2 in order to raise standards even further. Due to this change, the Department for Education has stated that comparisons should NOT be drawn between previous years. Virtually all of our children have EAL which means that English is not their first language. All of the tests are in English not in the child's home language. Some children come to us from overseas with no English at all, children who have been in the country less than two years are not included in these results.

#### EYFS

##### Children achieving a good level of development

Pikes Lane 2014	Pikes Lane 2015	Pikes Lane 2016 *	Bolton 2016	National 2016
63%	71%	70%	65%	69%

- Excluding 2 International New Arrivals who have recently arrived from overseas.
