

St Anne's Catholic Primary School

*"Love one another as I have loved you in our home,
school and Parish family"*

7th November 2016,

Dear Parents/carers,

To celebrate St Anne's Book Day we are holding a book swap event next Tuesday 15th November. Starting this week children can bring in books from home which are in good condition and they can swap them for a book they haven't read before with a different child.

Please help your child to look through their books at home and choose a book they would like to swap. Please make sure your child understands that they will not get the book back but will get a different book in return.

This is a great way for them to inspire others to read books, have new books to read and it doesn't cost a penny.

Thank you for your support.

Yours sincerely,

Mrs K Baylis
Headteacher
