It's a great delight to be able to discuss our wonderful term so far. We've been very busy in school and I'm sure the children are in need of a break just as much as our staff! Our topic of 20 things to do before half term has taken over our classrooms and outside with some exciting trips and activities—pictures are up in school to see what we've been able to complete.

After half term we will be moving onto a topic about people who help us – we will send out a copy of the overview at the start of the new term so you know what we're covering in school.

It's been fantastic to have so many of our children have 100% attendance this half term – 50% of our children have been ever present and there have been a lot more so close to this figure. Well done to everyone for children being in on time and ready for work.

It was a great delight to have a discussion at parents evenings this week. Miss Landells will rearrange her meetings after half term for any that were missed. If you have anything else you would like to discuss with school please call in. If you have a spare 10 minutes over half term please could you fill in an online questionnaire about school. If you look for "parent view ofsted" or type in <https://parentview.ofsted.gov.uk/> you'll be able to complete a survey about our school.

All staff wish you a happy half term and look forward to seeing you on Monday 31st October.
