

Ocker Hill Infant and Nursery School
School Council Attendance Policy

It is important to come to school every day because -

- We learn lots of new things.
- Our learning journey is important.
- We can make new friends and play great games.
- We can prepare ourselves for going to work when we are grown up.

It is important not to be late for school because -

- You will not want to miss part of your learning.
- You might not know what to do in your first lesson.
- It starts your day well and you can chat to your friends before school begins.

You can come to school even if you feel a little bit poorly with a cough or cold.

If you are sick then you need to stay at home for 24 hours.

Talk to your grown ups about only booking holidays when you are on holiday from school.

We have rewards for good attendance -

- Certificates and prizes in the Attendance Assembly.
- If all of your class have good attendance then we win the attendance Teddy Bear to keep in our classroom.
- In Attendance Week we have competitions with other schools.

IT'S COOL TO BE IN SCHOOL!
