Autumn 2016

Dear pupils, teachers and parents at Denby Dale First and Infant School

Before Harvest Festival our shelves were nearly empty so your support and all the lovely donations have helped us to fill up the store. The items you delivered will go a long way to helping many local people.

During the next few months as the cold weather sets in, local people will face many challenges choosing between heating and eating. We are able to continue supporting our clients because of your generosity.

We just launched a 50p pot challenge Christmas fundraiser to find out more please see our website <http://thewelcomecentre.org/50p-pot-christmas-challenge/>

Best wishes and once again many thanks from us all

Emma Greenough
