Friday 18 November 2016

Dear Parents,

Fantastic Four!

Today we gathered as a whole school to listen to the Year 4 class assembly. This term the children have been learning about the ancient Egyptians and in their assembly they skillfully shared all of their knowledge from the topic with us.

The children were absolutely wonderful and they helped to make the assembly so entertaining by singing, dancing and sharing pre made video clips of their learning throughout. We loved hearing about their class visit to Cliffe Castle and the mummification process too!

Thank you to the children for working so hard to produce such a fantastic assembly and to Mr Clark, Mrs Walbank and Mrs Hadfield Walker for helping the children to prepare for today.

Children in Need Day / Type 1 Diabetes / Medical Detection Dog Fundraising Day

On Monday morning we had a **SUPERHERO** join our assembly... Holly the medical detection dog!

Holly the superhero dog!

I can Sniff and Tell!

What do they do?

Medical Detection Dogs train dogs to sniff and tell when children and adults who have medical conditions are becoming poorly.

How do the dogs save lives?

Dogs have an amazing sense of smell which is up to a million times more powerful than ours!

With their incredible sense of smell dogs can be trained to use their nose to sense when someone is becoming poorly and let them know.

They alert their owner by repeatedly licking their hand, pawing them and will often fetch the medical kit.

What does she wear?

Holly wears a very special red jacket to tell people they are working and show them that they are allowed to go to places where other dogs are not normally allowed.

Today we all came to school either dressed in spots, onesies or non-uniform to help raise money for these amazing charities. Thank you all for your really kind and generous donations, we have raised an amazing £354.10, thank you to Erin M in Year 5 (School Council Treasurer) for helping Mrs Hunter Rowe count the money.

I hope you all have a lovely weekend and thank you for your continued support.

Kind regards,

Hilary
