

# Think then Click

These rules help us to stay safe on the Internet

I only use the Internet when an adult is with me.

I can click on the buttons or links when I know what they do.

I can search the Internet with an adult.

I can send and open emails together.

I can write polite and friendly emails to people that we know.

I will only use activities that my teacher has told or allowed me to use.

I will take care of the computer and other equipment.

I will ask for help from a teacher if I am not sure what to do or if I think I have done something wrong.

I will tell a teacher if I see something that upsets me on the screen.

I know that if I break the rules I might not be allowed to use a computer.

I have read and understood these rules and agree to follow them:

## Parent/Carer Countersignature

As the parent/carers of this pupil I know that my child has signed this Acceptable Use Agreement and has received or will receive E-Safety education to help them understand the importance of safe use of digital technology both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that the pupils will be safe when they use the Internet and ICT systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the Internet.

I understand that my child's activity on the ICT systems will be monitored and that the school will contact me if they have any concerns about any possible breaches of the Acceptable Use Policy.

I will encourage my child to adopt safe use of the Internet and digital technologies at home and will inform the school if I have concerns over my child's E-safety.
