As the parent/carer of this pupil I know that my child has signed this Acceptable Use Agreement and has received or will receive E-Safety education to help them understand the importance of safe use of digital technology both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that the pupils will be safe when they use the Internet and ICT systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the Internet.

I understand that my child's activity on the ICT systems will be monitored and that the school will contact me if they have any concerns about any possible breaches of the Acceptable Use Policy.

I will encourage my child to adopt safe use of the Internet and digital technologies at home and will inform the school if I have concerns over my child's E-safety.
