

St Anselm's Catholic Primary School
Summary of Primary PE and Sport Premium Impact

In April 2013, the Department for Education, Health and Culture, Media and Sport announced new funding of £150 million to support the delivery of PE and school sport. For this academic year, St Anselm's School has received a lump sum of £8000 and £5 per pupil.

The PE and Sports Premium grant has allowed us to extend our provision of PE specialists. Each class receives an hour long lesson each week and Years 5 and 6 are taught by two specialists allowing for smaller groups and more targeted teaching. One of our specialists also supports sports activities during lunchtimes, two days a week.

We have also been able to improve the range of sports activities and sports taught include: football, tag-rugby, cricket, hockey, rounders, netball, handball, basketball, athletics, multi-skills and table tennis.

The grant has allowed us to extend our swimming provision and Years 2, 3, 4 and 5 attend Ernest Bevin Secondary School for swimming lessons.

The grant has also allowed us to book Tooting Athletics Track weekly during the spring term, for Years 5 and 6 to work on track and field sport

In 2015 the school was again awarded the Sainsbury's Sports for schools Silver Award.
