Headteacher: Mr Russ Orr

18<sup>th</sup> November 2016

Dear Parents/Carers,

The school year may begin in September, but the 'FoNFS year' begins and ends in November with the Annual General Meeting. Following our recent AGM, FoNFS are very pleased to report that a grand total of **£10,546** has been raised by you, the parents, and our wider community, for our school this past year.

Both FoNFS and the school would like to take this opportunity to thank you all for your overwhelming support in everything that FoNFS has done this year, because, this is your achievement. It is you who have attended our events and you who have generously donated your time and money to this cause.

This money has made a significant contribution to the school and has been used to renew the KS2 guided reading resources and reading scheme books, to purchase the licence for a literacy program, to buy another set of 16 iPads, and maths equipment for every class in the school.

These resources have been particularly needed by the school, not only to support the children with their learning but to allow them to access the curriculum in fun and interesting ways. This is something the school feels is particularly important in these times when increasing pressure and demands are being placed on our children in their education.

So thank you once again for all you do to support FoNFS, the school and the children, and we hope you will continue to work with us to make our school the best it can be for all our children in the coming year.

Best Wishes,

**FoNFS**

Yours Sincerely,

**Headteacher**
