

Aims for 2016-2017

Action	Amount (%)	Impact
Active schools	20%	Continuous development of teacher development and gaining new skills required to teach Physical Education and Physical Activity.
Rhinos Foundation	25%	Children to develop skills taught by experienced coaches. Teachers to observe and learn new skills to teach.
Afterschool clubs	30%	Experienced coaches have helped the children to improve their skills in their chosen sport and there has been good attendance. This includes Leeds United to deliver an after school club as requested by the children.
Transport to competitions	5%	Children were able to attend competitions.
Football training at goals.	5%	Developing the children's Football skills and promoting team work.
Resources	15%	Excellent equipment means that more sports were able to be carried out by all children throughout school.
<p>Swimming We are now attending lessons at Bramley Baths, aiming to improve the quality of teaching given to our children, which will then reflect in their water confidence, safety and ability. The sessions are one hour in length for year groups 3 and 4, with each class attending for half a year.</p> <p>Money will be set aside for top up lessons if required for those children not able to swim the required 25 meters by the end of their allocated swimming lessons.</p>
