Action	Aim	Impact/Outcome
A percentage of a full time teacher's salary has been paid from September 2015 to March 2016 by PPG to maintain the six classes within the school structure. £6878	Children continue to learn in single year groups.	Children were able to be taught in single year groups. The school maintained six classes.
An additional teaching assistant post to allow the release of experienced members of staff to provide specific interventions based on children's individual needs. £5666	For children who are identified as underachieving in specific areas to have a rapid, good quality programme of intervention delivered.	A more fluid approach to intervention and support programmes allowed for a SEN teacher to support underachievement.
Reading, writing, maths & phonics intervention programmes delivered to clearly identify small groups of children by a special needs teaching assistant. £1604	For children who are identified as underachieving in specific areas to have a rapid, good quality programme of intervention delivered.	Specific children progressed well through accessing individualised literacy and numeracy intervention programmes.
Resources for Forest School purchased & installed. £1483	To provide children with access to quality teaching and learning through a developed outdoor area.	A clearly defined Forest School area was set up and is used by all children in the school on a termly basis.
Funding for after school clubs / theatre learning experience / additional learning experiences. £78 / £67	Children have structured opportunities to develop social and communication skills, in turn impacting on their learning skills and improved standards of work.	Learning experiences were inclusive for all children.
External professional services to support additional needs of vulnerable learners. Speech & language Educational Psychologist £1267	Children have access to specialist services offering 1-1 support to ensure progress in specific areas.	Educational psychologist assessment & reports for specific children with identifiable targets set and achieved.

Computer software programmes to support children's learning in all areas of the national curriculum. £1995	Resources such as Espresso and Purple Mash allow for quality first teaching and learning experiences to enhance progress and attainment in all areas.	The use of IT has increased to the benefit of the children. Teachers are using programmes to bring learning to life.
Purchasing of School Milk through the government Cool Milk scheme. £203	To enable all children in receipt of PP money to be eligible for milk.	Milk is purchased for PP children over 5 to benefit from a nutritional drink each morning.
To employ a 1-1 SEN TA for a child with specific needs. £2729	Child will be able to access a curriculum at personalised level.	This child made progress in the short time he was within our school through an inclusive curriculum matched to his specific needs.

This leaves a carry forward of £4337 to move into the next academic year (2016/17).
