## A note from your PTA...

Dear Parents,

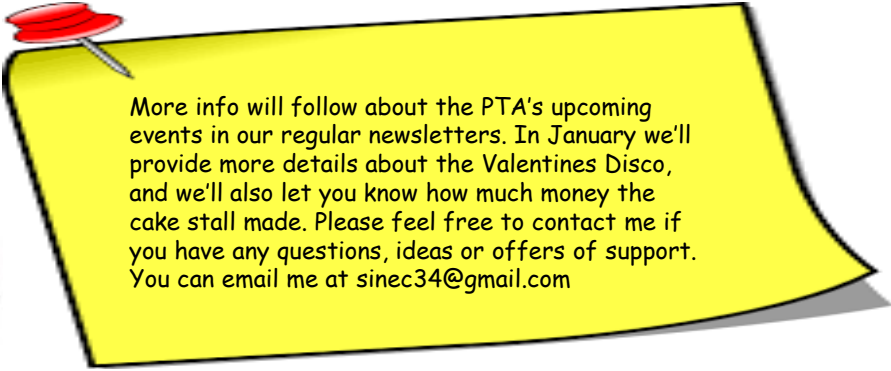

Welcome to your first PTA Newsletter! We're really excited that The Mount now has an active PTA set up and we've got loads of ideas on how to raise money for the school and ultimately the children.

We had our first meeting in November where we started planning what we could do over the next few months. Please check out the 'Dates for your Diaries' section - we will have a stall at the school's Christmas Fayre, selling cakes and drinks, and the money raised will go towards a Valentines Disco.

We would love more people to get involved - any type of support would be gratefully received, whether that's becoming part of the PTA, coming along to meetings to meet other mums and dads, or helping with ideas, volunteering your time at the events we organise, baking a cake to sell at the Christmas Fayre, or simply coming along to the fayre - any help or support would be amazing!

We would really like to get as many people involved as possible and make the PTA a really friendly and welcoming team. I personally have found it a really nice way to feel connected to the school and meet other parents. My little boy started in Reception this year and we didn't know anyone at the school beforehand, getting to know other parents has really helped, as it's as daunting for us as it is for the children starting somewhere new.

Please drop me a line if you'd like more information on the PTA, ([sinec34@gmail.com](mailto:sinec34@gmail.com)) or come along to our next meeting, it really is the more the merrier ☺

More info will follow about the PTA's upcoming events in our regular newsletters. In January we'll provide more details about the Valentines Disco, and we'll also let you know how much money the cake stall made. Please feel free to contact me if you have any questions, ideas or offers of support. You can email me at [sinec34@gmail.com](mailto:sinec34@gmail.com)

We are looking for the following to make the Valentines Disco a success and an event the children will love:

- Volunteers at the Disco - we need at least 15 adults to run the event
- Decorations for the event and help to set up the hall
- Face paints and any volunteers who can do the face painting
- Disco lights/Glow Sticks
- A karaoke machine

Any contribution you can make would be really appreciated.
