1. PURPOSE & AIMS

1.1 The purpose of Swinton Queen Primary School's safeguarding policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to:

- Protect children and young people at our school from maltreatment;
- Prevent impairment of our children's and young people's health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children and young people at our school to have the best outcomes.

1.2 This policy will give clear direction to staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our school.

1.3 Our school fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our school. This will also include identifying children who may benefit from early help. The elements of our policy are prevention, protection and support.

1.4 This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

What is Abuse?

- Abuse may fall into a number of categories: - **physical abuse, sexual abuse, emotional abuse and neglect.** Abuse and neglect are forms of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger. They may be abused by an adult or adults, or another child or children.
- Additional guidance on other safeguarding issues such as Child Sexual Exploitation, Children Missing from Education, Female Genital Mutilation, Domestic Abuse and Preventing Radicalisation is contained in Part One of 'Keeping Children Safe in Education 2016' along with information about the indicators of abuse contained in Chapter 1.2.4 of the Rotherham Safeguarding Children Board
www.rotherhamscbproceduresonline.com

Early Help and support for children in need:

Early help means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years through to the teenage years. We will work with local agencies in Rotherham to put processes in place for the effective assessment of the needs of individual children who may benefit from early help services. This may be a child who:

- Is disabled and has specific additional needs
- Has special educational needs
- Is a young carer
- Is showing signs of engaging in anti-social or criminal behaviour
- Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health, domestic abuse; and/or
- Is showing early signs of abuse and/or neglect

2. OUR ETHOS

2.1 The child's welfare is of paramount importance. Our school will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our school will be able to talk freely to any member of staff at our school if they are worried or concerned about something.

2.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that all staff at our school plays a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned.**

2.3 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to any child and we will not keep secrets. Every child will know what the adult will have to do with any information they have chosen to disclose.

2.4 Throughout our curriculum we will provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. This will also be extended to include material that will encourage our children to develop essential life skills. PSHE, literacy discussion time, ICT lessons, science, circle time, RE and assemblies will support the development of key skills. Outside agencies such as the police, fire and NSPCC support the curriculum delivered in school. All pupils have a good relationship with more than one adult. Pupils have open access speak to the Headteacher, learning mentor and members of the leadership team if they are worried or concerned.

2.5 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with Working Together to Safeguard Children (2015).

- They remedy without delay any weakness in regard to our safeguarding arrangements that are brought to their attention.

3.4 The governing body will receive a safeguarding report at each meeting that will record the training that has taken place, the number of staff attending and any outstanding training requirements for the school. It will also record all safeguarding activity that has taken place, for example, meetings attended, reports written, training or induction given. It will not identify individual pupils.

The Headteacher

3.5 At Swinton Queen Primary School the Headteacher is responsible for:

- Identifying a member of the senior leadership team to be the Designated Safeguarding Lead (DSL);
- Identifying an alternate member of staff to act as the Designated Safeguarding Lead (DSL) in his/her absence to ensure there is always cover for the role;
- Ensuring that the policies and procedures adopted by the governing body, particularly concerning referrals of cases of suspected abuse and neglect, are followed by all staff;
- Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and such concerns are addressed sensitively in accordance with agreed whistle-blowing procedures;
- Liaising with the LADO in the event of an allegation of abuse being made against a member of staff.

The Designated Safeguarding Lead

3.6 The Designated Safeguarding Lead (DSL) will carry out their role in accordance with the responsibilities outlined in Annex B of *'Keeping Children Safe in Education'*. The DSL will provide advice and support to other staff on child welfare and child protection matters.

3.7 The DSL at Swinton Queen Primary School will represent our school at child protection conferences and core group meetings. Through appropriate training, knowledge and experience our DSL will liaise with Children's Services and other agencies where necessary, and make referrals of suspected abuse to Children's Services, take part in strategy discussions and other interagency meetings and contribute to the assessment of children, including Early Help assessments.

3.8 The DSL will maintain written records and child protection files ensuring that they are kept confidential and stored securely.

3.9 The DSL is responsible for ensuring that all staff members and volunteers are aware of our policy and the procedure they need to follow. They will ensure that all staff, volunteers and regular visitors have received appropriate child protection information during induction and have been trained to the appropriate level recommended by the Rotherham LSCB. A training pack can be obtained by contacting sherran.finney@rotherham.gov.uk

4. TRAINING & INDUCTION

4.1 When new staff, volunteers or regular visitors join our school they will be informed of the safeguarding arrangements in place. They will be given a copy of our school's safeguarding policy along with the staff code of conduct and told who our Designated Safeguarding Lead is.

4.2 Every new member of staff or volunteer will have an induction period that will include essential safeguarding information. This programme will include basic safeguarding information relating to signs and symptoms of abuse, how to manage a disclosure from a child, how to record this information and discuss issues of confidentiality. The induction will also remind staff and volunteers of their responsibility to safeguard all children at our school and the

remit of the role of the Designated Safeguarding Lead. At induction, all staff will also be provided with a copy of Part One of '*Keeping Children Safe in Education*' (2016) and will be expected to read this.

4.3 In addition to the safeguarding induction, all members of staff will undertake appropriate safeguarding training on a regular basis in accordance with '*Keeping Children Safe in Education*' (2016) and advice from Rotherham LSCB. All staff members will also receive regular safeguarding and child protection updates (for example, via e-mail or at staff meetings) as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

4.4 All regular visitors and volunteers to our school will be given a set of our safeguarding procedures; they will be informed of whom our DSL and alternate staff members are and what the recording and reporting system is. (See example at Appendix 2)

4.5 The DSL, the deputy DSL and any other senior member of staff who may be in a position of making referrals or attending child protection conferences or core groups will attend one of the multi-agency training courses organised by Rotherham LSCB at least once every two years. They will also receive regular safeguarding updates throughout the school year in order to keep up with any developments relevant to their role.

4.6 Our governing body will also undertake appropriate training to ensure they are able to carry out their duty to safeguard all of the children at our school. Training for Governors to support them in their safeguarding role is available from Governor Development Service.

4.7 We actively encourage all of our staff to keep up to date with the most recent local and national safeguarding advice and guidance. Part One of '*Keeping Children Safe in Education*' (2016) provides links to guidance on specific safeguarding issues such as Child Sexual Exploitation, Female Genital Mutilation, Children Missing from Education and Preventing Radicalisation. In addition, local guidance can be accessed via Rotherham LSCB at www.rotherham.gov.uk/safeguarding. The DSL will also provide regular safeguarding updates for staff.

5. PROCEDURES FOR MANAGING CONCERNS

5.1 Swinton Queen Primary School adheres to child protection procedures that have been agreed locally through the Rotherham LSCB.

5.2 Every member of staff including volunteers working with children at our school is advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outlined in this policy.

5.3 It is *not* the responsibility of school staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, has a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.

5.4 The Designated Safeguarding Lead (DSL) should be used as a first point of contact for concerns and queries regarding any safeguarding concern in our school. Any member of staff or visitor to the school who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSL or, if unavailable, to the Deputy DSL. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.

5.5 If a child is in **immediate danger or risk of harm**, a referral should be made to Children's Social Care and/or the Police immediately. Anyone can make a referral but in situations where referrals are not made by the DSL, they should be informed as soon as possible afterwards that a referral has been made by someone else.

5.6 All concerns, discussions and decisions made and the reasons for those decisions should be recorded in writing using the agreed reporting template for Swinton Queen Primary school and logged in the staff incident books.

5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from Children's Social Care - Multi-Agency Safeguarding Hub (MASH) as required. All information and actions taken, including the reasons for any decisions made, will be fully documented.

5.8 All referrals will be made in line with Rotherham Local Safeguarding Children's Board procedures – Chapter 1 '*Referring Safeguarding Concerns about Children*'

5.9 If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the DSL and/or the Headteacher. Concerns should always lead to help for the child at some point.

5.10 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with MASH, or the police if:

- the situation is an emergency and the designated senior person, their deputy and the Headteacher are all unavailable;
- they are convinced that a direct report is the only way to ensure the pupil's safety.

5.11 Any member of staff who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Headteacher or the Chair of Governors. If any member of staff does not feel the situation has

been addressed appropriately at this point should contact the Safeguarding Children's Unit directly with their concerns.

5.12 If staff members have concerns about another staff member then this should be referred to the headteacher or principal. Where there are concerns about the headteacher or principal this should be referred to the chair of governors, chair of the management committee or proprietor of an independent school as appropriate.

6. RECORDS AND INFORMATION SHARING

6.1 If staff are concerned about the welfare or safety of any child at our school they will record their concern on the agreed reporting form having noted it in their incident book. They should ensure that the form is signed and dated. Any concerns should be passed to the DSL without delay.

6.2 Any information recorded will be kept in a separate named file, in a secure cabinet and not with the child's academic file. These files will be the responsibility of the DSL. Child protection information will only be shared within school on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.

6.3 Child protection information will only be kept in the file and this file will be kept up to date. Records of concern, copies of referrals, invitations to child protection conferences, core groups and reports will be stored here. All our safeguarding files will include; a chronology, contents front cover and will record significant events in the child's life.

6.4 When a child leaves our school, the DSL will make contact with the DSL at the new school and will ensure that the child protection file is forwarded to the receiving school in an appropriately agreed manner. We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school and/or evidence of recorded delivery.

7. WORKING WITH PARENTS & CARERS

7.1 Swinton Queen Primary School is committed to working in partnership with parents/carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.

7.2 When new pupils join our school, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on the school website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to make a referral to MASH.

7.3 We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share

sensitive information unless we have consent or it is necessary to do so in order to safeguard a child from harm.

7.4 We will seek to share with parents any concerns we may have about their child *unless* to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the school has about a child will not prevent the DSL making a referral to MASH in those circumstances where it is appropriate to do so.

7.5 In order to keep children safe and provide appropriate care for them, the school requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives;
- Full names and contact details of all persons with parental responsibility (if different from above);
- Emergency contact details (if different from above);
- Full details of any other adult authorised by the parent to collect the child from school (if different from the above).

The School will retain this information on the pupil file. The school will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission and the school has been supplied with the adult's full details in writing.

8. CHILD PROTECTION CONFERENCES

8.1 Social Care will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.

8.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the school in respect of individual children. Usually the person representing the school at these meetings will be the Headteacher or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.

8.3 All reports for child protection conferences will be prepared in advance using the guidance and preferably the template provided. This can be obtained by contacting Sherran.finney@rotherham.gov.uk The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional and intellectual development and the child's presentation at school. In order to complete such reports, all relevant information will be sought from staff working with the child in school.

8.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Services or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children and our aim is to achieve this in partnership with our parents.

9. SAFER RECRUITMENT

9.1 We will ensure that the Headteacher and at least one member of the Governing Body have completed appropriate safer recruitment training. At all times the Headteacher and Governing Body will ensure that safer recruitment practices are followed in accordance with the requirements of *'Keeping Children Safe in Education'*, DfE (2016).

9.2 At Swinton Queen Primary School we will use the recruitment and selection process to deter and reject unsuitable candidates. We require evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to appointment. We will question the contents of application forms if we are unclear about them, we will undertake Disclosure and Barring Service checks and use any other means of ensuring we are recruiting and selecting the most suitable people to work with our children.

9.3 We will maintain a Single Central Register of all safer recruitment checks carried out in line with statutory requirements. The Single Central Register will contain information on all staff members on the following:

- An identity check
- A barred list check
- An enhanced DBS check/certificate
- A prohibition from teaching check
- A section 128 check (for management positions in independent schools (including free schools and academies))
- A check of professional qualifications
- A check to establish the person's right to work in the UK
- Further checks on people who have lived or worked outside the UK

10. SAFER WORKING PRACTICE

10.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

10.2 All staff will be provided with a copy of our school's code of conduct at induction. They will be expected to know our school's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the

agreed policy for safe restraint must be adhered to. A list of staff that has accessed training will be kept by the Headteacher.

10.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.

10.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in the guidance document '*Safer working practices for adults who work with children and young people*' (Safer Recruitment Consortium, October 2015). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

11. MANAGING ALLEGATIONS AGAINST STAFF & VOLUNTEERS

11.1 Our aim is to provide a safe and supportive environment which secures the well being and very best outcomes for the children at our school. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

11.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children.

11.3 We will take all possible steps to safeguard our children and to ensure that the adults in our school are safe to work with children. We will always ensure that the procedures outlined in Rotherham Local Safeguarding Children Board Child Protection Procedures: Chapter 5 and Part 4 of the statutory guidance 'Keeping Children Safe in Education' (2016) are adhered to and will seek appropriate advice from the Local Authority Designated Officer (LADO). The LADO can be contacted on 01709 823914 or via MASH on 01709 336080.

11.4 If an allegation is made or information is received about an adult who works in our setting which indicates that they may be unsuitable to work with children, the member of staff receiving the information should inform the Headteacher immediately. Should an allegation be made against the Headteacher, this will be reported to the Chair of Governors. In the event that the Headteacher or Chair of Governors is not contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Headteacher or the Vice Chair of Governors.

11.5 The Headteacher or Chair of Governors will seek advice from the LADO within one working day. No member of staff or the governing body will undertake further investigations before receiving advice from the LADO.

11.6 Any member of staff or volunteer who does not feel confident to raise their concerns with the Headteacher or Chair of Governors should contact the LADO directly on 01709 823914 or via MASH on 01709 336080.

11.7 The School has a legal duty to refer to the Disclosure and Barring Service (DBS) anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR.

Appendix 2: Example of a Safeguarding Induction Sheet for new or supply staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at our school we take this responsibility seriously.

If you have any concerns about a child or young person in our school, you must share this information immediately with our Designated Safeguarding Lead or one of the alternate post holders.

Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and discuss your concerns with them.

If you are unable to locate them ask a member of the school office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation concerning a member of staff, a child's foster carer or a volunteer should be reported immediately to the Headteacher. If an allegation is made about the Headteacher you should pass this information to the Chair of the Governing Body. Alternatively, you can contact the Local Authority Designated Officer on 01709 823914 or via MASH on 01709 336080.
