

Sedgefield Primary School

Learning Together for Life

James Hampson

I have been a Parent Governor for ten years and have seen two of my sons pass through the school up to the Community Collage, with a third son in the Junior section. I am a Finance Director of a North East company and enjoy helping with the commercial and financial challenges that the school encounters. My commercial experience blends with the educational expertise elsewhere in the Governing body. Within the school I have an interest in the Sporting Activities and the School's management of our 'Gifted and Talented' pupils.

Register of interests statement:

I can confirm that I do not have any relevant business interests including other Governor positions. My wife currently has a part-time, temporary post in school, working as a Teaching Assistant in Year 1. There are no other conflicts of interest.
