25th November 2016

Dear Parents and Carers,

In EYFS we use a programme called '2 Simple – 2 Build a Profile' to carry out observations on your child which we then put into their Learning Journey in school. The programme also allows us to easily share pictures and information about what your child has been learning via your email address using something called Parent Share. If you would like us to start doing this in the Spring Term for your child then please follow the instructions below so we have a record of your email address:

- Send an email from your own email account to patrick.clarkson@kirkleeseducation.uk
- All the email needs to contain is the name of your child and nothing else
- There will be no immediate response but you should expect to receive some pictures and information from school early in the Spring Term.
- The information you send will not be shared with anyone else

If you would like any other information about Parent Share please see your child's teacher.

Thanks,

Diane Mahon (Assistant head teacher)
