

## **Cleadon Church of England Academy** **School Policy Statement**

### **Acceptable Use Policy for all Visitors** **(Update May 2016)**

#### **Vision Statement**

We aim to provide a happy, supportive community school, which promotes excellence, enabling all members to experience achievement and success within a caring Christian environment.

#### **Mission Statement**

Today and everyday, we will work together to enable everyone to succeed and become responsible citizens of tomorrow. We will encourage independent, creative thinkers and learners, within a Christian ethos.

#### **Philosophy and Culture**

Cleadon C of E Academy encourages the use creatively and safely a wide range of innovative and integrated broadband technologies, together with the development of appropriate skills to analyze and evaluate these resources. The school will promote high standards of teaching and learning by supporting the effective use of ICT and provide a safe Environment, respect for all, non tolerance of bullying.

#### **Acceptable Use Policy Agreement:**

As a visitor to the Cleadon Church of England Academy using the Northern Grid for Learning's Network or Service you are required to comply with this Acceptable User Policy (AUP). Not to do so will result in this service being withdrawn.

All users should note that our network is monitored on a regular basis. Any user who is found to deliberately infringe this policy may be subject to disciplinary procedures or legal action.

#### **You are not allowed to:**

- Use a school PC or laptop without using an individual logon supplied by the school.
- Access the internet without using our cache pilot.
- Attempt to access any website deemed as illegal or inappropriate.
- Infect the Northern Grid LAN and WAN with Viruses, SPAM, Trojans etc.
- Send emails, which are defamatory or offensive in any way.

- Send or receive materials or data which is:
  - in violation of any law or regulation, this includes but is not exclusive to; child abuse images,
  - Incitement to racial hatred, direct threats of physical harm etc.
  - which is defamatory, offensive, abusive, indecent, obscene.
  - which constitutes harassment
  - is in breach of confidence, privacy, trade secrets
  - is in breach of any third party Intellectual Property rights (including copyright)
  - is in breach of any other rights or has any fraudulent purpose of effect.

If you receive images or accidentally access material, which you believe could be illegal or inappropriate it is important that you make no attempt to investigate the content. Please report this to the member of staff who you are working with.
