

**Delph Side Community Primary School**  
**Headteacher: Mrs E Ormerod**

5th December 2016

Dear Parents and Friends,

We wanted to bring our Facebook page to your attention, in case you haven't yet found us! We're finding it a very valuable tool by which to communicate with parents and the community.

What information might you find on our page?

- All teachers are posting links to our main website, sharing children's work through photos and videos
- News updates
- General reminders e.g. non uniform day
- Fundraising events
- Positive lovliness! 😊

We understand not everyone is on Facebook, for lots of different reasons. But even if you joined just to follow our page on your phone, I think you'd find it really helpful, informative and fun!

Just search us on facebook 'Delph Side Primary School' and click 'like' to get the posts as they happen.

See you in cyberspace!

Mrs Ormerod

**Headteacher**

**\*\* In line with our Lancashire County Council Social Media Policy, School staff are discouraged from forming on line friendships with parents of the school, in the interests of Professionalism\*\***
