

Pinderfields Hospital School

Behaviour Agreement

We will respect each other by:

- being ready to learn, for example, by attending regularly, being on time and having correct equipment for each lesson
- raising our hand, or using another agreed method, to attract an adult's attention in lesson time
- allowing for individual differences
- using appropriate language
- paying attention and not distracting others
- being polite and courteous, especially in how we address staff and each other.

We will respect our environment by:

- disposing of litter correctly
- disposing of chewing gum correctly before entering the PRU site
- using furniture appropriately
- moving around the building safely
- hanging our outdoor clothing on coat pegs provided or in our own locker.

Mobile phones

- Phones can only be used at morning break and lunchtime. During Lessons, mobiles must either be placed in the clear mobile storage pockets located in each classroom or in the pupils locker. Lockers are available on request.
- If a mobile phone is used during lesson times without staff permission, a member of staff will take it to reception until the end of the day.
- If the pupil refuses to conform, parents will be informed and asked to support agreed sanctions.

Drinks Policy

- Cold water dispensers are available for pupil use.
- Pupils are discouraged from consuming fizzy/high sugar drinks, however, if they are brought in, they can be consumed in classroom 3 during lunch break. If seen at other times they will be confiscated.
- Drinks can be stored in personal bags, lockers or the fridge in classroom 3.

Pupils are not allowed to go to the local shop during school time. For those who have school transport this includes the time between leaving the taxi and coming into the PRU.

Although there is no school uniform requirement, pupils are expected to wear appropriate clothing and have suitable kit and footwear for PE. Hoods should not be up during the school day (including break times).

Any agreed deviation, e.g. due to medical reasons, will be agreed by staff and recorded in the pupil profile.

I agree and will abide with the above conditions.
