Dear Roos Primary School,

We would like to take this opportunity to thank you for donating to Viking FM's Cash for Kids Mission Christmas.

Your donation will make an unbelievable difference to the lives of sick and disadvantaged children in East Yorkshire and Northern Lincolnshire, who are at risk of waking up to nothing on Christmas morning.

In 2015 we supported 18,080 local children and only through the hard work of individuals & businesses donating, collecting gifts and volunteering for Viking FM's Cash for Kids can we continue reaching out to more local children.

We believe all children should have a magical Christmas.

On behalf of all the children, families and organisations you have helped support, a heartfelt thank you.

Kindest Regards

Charlotte Pickering

Charity Manager
