

PE Premium Annual Report End of Financial Year

Whitehall Infant School
2015 - 2016

The PE and Sports Premium is designed to help primary schools improve the quality of the PE and Sports Activities we offer our pupils.

This report provides information about how the PE Premium has been spent at Whitehall Infant School and outlines our plans for using the PE Premium in the year ahead.

In this school, the PE premium will be used:

- To enhance provision at playtimes and lunchtimes so that pupils are able to be more active and engage in a wider range of physical activities
- To improve the quality and breadth of PE and sport provision
- To increase participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of
- To increase our communities' understanding of how to develop a healthy lifestyle

<p>Use of LSAs to lead specific active play activities at playtimes</p> <ul style="list-style-type: none"> - Dancing - Football - Skipping - basketball 	<p>Children have the opportunity to participate in a range of activities to promote sports and fitness.</p>	<p>No allocated cost</p>

Impact and Outcomes

Following building work undertaken as part of school expansion in 2014, the playground was identified as an area which needed to be developed as there were few opportunities for pupils to engage in sports and fitness activities due to the nature of the space. The school contributed additional funding and work commenced in 2015 to enhance the outside areas. This was highly successful and the trim trail in particular has proved very popular. Support staff lead specific play activities and ensure children are engaged and active.

Improving the quality and breadth of PE and sport provision

Action	Desired Impact	Cost
<p>To gain an understanding of strengths and weaknesses within the school</p>	<p>PE subject leader has Knowledge on which support can be planned</p>	<p>Cover @ £250 per day = £1000</p>
<p>To improve teachers confidence in the teaching of PE</p>	<p>Improve the quality of dance teaching across the school. Teachers now more confident and enthusiastic about teaching of dance.</p>	<p>Primary Sporting Development CPD £1440</p>

Impact and Outcomes

Over the lifetime of the PE premium, teachers have been engaged in CPD across a range of the PE curriculum. Teachers have a range of strategies to engage children in sports, develop teamwork and encourage pupils to develop specific skills. This is reflected in the PE schemes of work which have been updated in light of the training received.

Increase participation in PE and Sport so that pupils develop healthy and active lifestyles and reach the performance levels they are capable of		
Action	Impact	Cost
To provide sports enrichment opportunities	Pupils participate in a range of sports and fitness activities led by PE specialists which motivate them to be healthy and active	Dan the skipping man workshop and assemblies £910 Dance lunch club £420
To establish sports competitions	Award star system in place to create a competitive environment Medals to be awarded to each class after Super stars in Summer term	School stickers – printed by school (no allocated cost)

Impact and Outcomes

Pupils have reported to enjoy the activities that have been offered. For those attending clubs and workshops, teachers have commented on how pupils' confidence has developed through these activities and that this has transferred to other areas of learning. Dance and skipping in particular are now prominent activities at playtimes and lunchtimes.

Increase our communities' understanding of how to develop a healthy lifestyle		
Action	Impact	Cost
To improve personal understanding of Healthy Living	Increased understanding of Healthy Lifestyles	Healthy Week – no cost JoJo Crow – Catering Co. – no cost A-life Spring Term £982.00
To organise a Healthy Workshop company to provide active learning	Pupils are made aware of how to be healthy through correct choices and an active lifestyle	Staff time (no allocated cost)
MEND family programme	Targeted families attended charity run ten week programme to promote healthy lifestyles	Staff time (no allocated cost)

Impact and Outcomes

All pupils have been involved in activities to develop a healthy lifestyle. A number of families engaged with family-oriented activities, including some families which were specifically targeted by school staff. Attendance at MEND was good and most families completed the entire 10 week programme. Children were enthusiastic and engaged in the activities which aimed to develop healthy lifestyles.

How do we intend to spend the PE Premium in 2016 - 2017?

- We will continue to promote exercise and healthy lifestyles and increase participation in sports and physical activity by offering pupils a range of health and fitness workshops, family workshops, lunchtime clubs and events throughout the year.
- Further utilisation of our playground areas to enhance sports and fitness provision in the school.
- Development of a 3 year strategic plan for PE which outlines how the school will sustain the impact of the PE and Sports Premium funding beyond 2016, including long term impact on pupil attainment and participation, including in competitive sports.
