

Sports Premium

The government has provided additional funding of £150 million per annum for the academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

We are committed to promoting healthy lifestyles and actively encourage this through our provision in sports and PE.

Through our use of sports premium funding, we aim to:-

- Increase the opportunities for the pupils to take part in sporting activities
- Enable pupils to take part in inter school competitions
- Improve the school's resources for the teaching of PE
- Improve the children's skills in different sports and their understanding of healthy lifestyles
- Enable staff to learn new skills in the teaching of PE

For the year 2015-16, we were allocated £9618 in sports premium funding. We allocated our funding on the following projects and initiatives: -

| Primary PE and Sport Premium Key Outcome Indicator | Expenditure | Participants | Cost | Impact and effect the use of sports premium has on participation and attainment. | Sustainability |
|--|--------------------------------|------------------------|-------------|---|---|
| 1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles | Gymnastic equipment for KS2 | KS2 children and staff | £1403 | To supplement existing gymnastic equipment in KS to improve lessons and provide wider opportunities for children to enjoy sport. Greater range and quantity will ensure more children can take a more active part in all gym lessons. | New gym equipment available for all children to increase participation in gym lessons |
| 1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles | Replacement of wall bars | All children | £2095 | Replacing wall bars in top hall will enable staff to teach a wider range of gymnastic skills to children and provide children with greater opportunities to climb and take risks in a safe environment. | New gym equipment available for all children to increase participation in gym lessons |
| 2. the profile of PE and sport being raised across the school as a tool for whole school improvement | CPD and supply costs | PE sports leader | £377 | Courses to enable the sports leader to supplement the teaching and learning of PE across the key stages. | PE sport leader up skilled in leading PE forward across the school |
| 3. increased confidence, knowledge and skills of all staff in teaching PE and sport | CDP using First Steps | All staff | £2160 | Targeted CPD in the areas of dance and gym will ensure staff have the skills and confidence to teach these areas to their classes. Staff now able to include all children as have been given skills to coach a greater range of abilities and encourage greater participation. | Lesson plans provided by First Steps to enable staff to deliver lessons in subsequent years |
| 4. broader experience of a range of sports and activities offered to all pupils | Tigers Trust football training | KS2 children | £480 | Outside coaches leading sports training using expertise staff do not have. Many children follow on to join sports clubs after their experiences within coaching | Encouraged greater number of pupils to take part in external football clubs. Teaching ideas for staff involved. |

| | | | | | |
|---|--|---|--|---|--|
| | | | | sessions. | |
| 4. broader experience of a range of sports and activities offered to all pupils | Cricket coach | Year 5 staff and children | £150 <i>Estimate based on last year</i> | To enable the new year 5 staff to gain valuable teaching ideas and skills whilst the children experienced quality teaching in this area. Some children follow on to join cricket clubs after their experiences within coaching sessions. | Planning and ideas for staff to use in subsequent lessons. |
| 5. increased participation in competitive sport | Supply for teacher attending tennis tournaments | KS2 children | £280 | Cover for teacher to escort children to tennis tournament. Winning the tournament has encouraged the next year groups to aim to keep our trophy! | It is expected that such tournaments will continue in subsequent years therefore building on children's' enjoyment of participating in inter-school competitive sports |
| 5. increased participation in competitive sport | Transport to sporting events Cost of hiring local stadium | Various classes and groups of children across KS2 | £840 coaches £50 <i>Expected stadium charge</i> | To enable pupils in KS 2 to participate in the South Hunsley Festival of Sport and the Haltemprice Inter Schools athletics competition. Providing transport ensures a greater number of children can participate and includes all abilities rather than just the elite few. | It is expected that such tournaments will continue in subsequent years therefore building on children's' enjoyment of participating in inter-school competitive sports |
| 5. increased participation in competitive sport | SSP payments | Children across KS2 | £1500 | Paying an annual subscription to the South Hunsley Sports Partnership in order to provide sporting events and experiences with other pupils in the South Hunsley Partnership Participation in SHP sports ensures a greater range of pupils participating in sports who would not normally take part outside of school. | Enabling PE leader to access support/training to take PE forward across the school |

For the year 2016-17, we have been allocated £9485 in sports premium funding. We intend to allocate our funding on the following projects and initiatives:

| Primary PE and Sport Premium Key Outcome Indicator | Expenditure | Participants | Cost | Impact and effect the use of sports premium has on participation and attainment. | Sustainability |
|---|--|--|-------------|---|--|
| 1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles | Gymnastic equipment for KS1 | KS1 children and staff | £1864 | To supplement existing gymnastic equipment in KS to improve lessons and provide wider opportunities for children to enjoy sport Greater range and quantity will ensure more children can take a more active part in all gym lessons. | New gym equipment available for all children to increase participation in gym lessons |
| 2. The profile of PE and sport being raised across the school as a tool for whole school improvement | Purchase and implementation of Rising Stars PE scheme. | Years 1-6 | £600 | By purchasing this scheme, all staff have access to clear planning which covers all areas of PE including sport, health and fitness. This is an inclusive package which includes all abilities and encourages greater participation among all children. | Staff will have this resource which included online resources to ensure consistently good PE teaching, term by term, every year. |
| 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport | CDP using First Steps | All staff | £2160 | Targeted CPD in the areas of dance and gym will ensure staff have the skills and confidence to teach these areas to their classes, built upon training and mentoring from last year. Staff now able to include all children as have been given skills to coach a greater range of abilities. | Lesson plans provided by First Steps to enable staff to deliver lessons in subsequent years |
| 4. Broader experience of a range of sports and activities offered to all pupils | Fit for Fun Extra-curricular clubs | Targeted children across both key stages | TBC | It is hoped that by providing extra-curricular clubs free of charge that more children will have access to sporting activities which will increase their participation and thus raise their | We hope that by giving a wider range of children access to extra-curricular sports offering sports that are not freely available we will engage more children and encourage them to be more active |

| | | | | | |
