- To encourage everyone to develop lively, enquiring, imaginative and creative minds through high expectations, excellent opportunities and high standards of learning in school.
- To help each other become independent, self-motivated, self-disciplined and to develop respect for ourselves, others and the environment.
- We will encourage teamwork and collaboration amongst everyone in our school.
- To develop interests and skills which will enable us to enjoy and make the best use of our leisure time.
- To emphasise the qualities of tolerance and respect for all regardless of colour, race, class, ability or gender and to encourage in the children a sense of responsibility towards themselves and others.
- In all school activities we will encourage and support children, staff, suppliers and visitors to consider best use of materials; minimise waste of all types; be economical with energy, heat, light and water and consider the impact of their activities on the school and its finances, on the community and on the wider global environment.

Our Statement of Equality and Inclusion

Our school is committed to the development and encouragement of all of our pupils and staff. We recognise the positive contribution the school makes to the local community, our stakeholders, parents and partners. By treating all of our school family and friends with dignity and respect we encompass the key aims of the Equality Act 2010 and the general duties. This is also echoed in our school values. Inclusion and accessible learning is key to our success, as is the development of our staff. We work to remove barriers to learning and engagement in all that we do as well as allowing for opportunities for dialogue and better understanding between different people. Everyone is unique and we value this daily.
