Dear Parents and Children,

A very brief Newsletter before my Christmas one next week.

SAVE THE CHILDREN CRISIS APPEAL – What a tragedy. We are trying to link the wearing of what is called “Christmas jumpers/Christmas accessories” to raising money for the disaster that has been happening with half a million children starving and in URGENT/DESPERATE need of food (peanut butter smears) and medicine to stop dehydration through sickness from taking the youngest of children’s lives. Many thanks for your donations already received.

CHRISTMAS CELEBRATIONS: I will talk about Nativities next week which have all been marvellous.

PANTOMIMES: What fantastic talent we have with our children and staff across the Federation. The make-up, costumes, acting, scenery- both “still” and “interactive” all complimented your children. You came to see your own children but with me you laughed and smiled at all children who presented their version of famous Christmas Pantomimes written and directed by their talented teachers. Believe me behind the scenes and practices take hours and hours of work by teachers and children. Like myself, I am sure you are proud of your school and all the children who contributed to these what I can only describe as “SPECTACULARS”. All of the children who saw it were thrilled and both Year 6s across the Federation saw each other and thought each other were both funny and brilliant.

To the cast and everyone who helped in the wonderful production of “Jack and the Beanstalk” you can feel so proud of yourself as I am of you all. I saw some people in the audience crying with pride at your children.

To the cast and everyone who helped in the wonderful production of “Beauty and the Beast”, the audience were all “buzzing” and saying that Mrs Bellis-Knox was right and it was the best ever and crying with delight.

To both staff we should make a short clip of just the “Liverpool Girls” across the Federation, we could make a fortune!!
