

Sarum St Paul's Church of England Primary School

"A school where children love to learn"

Wednesday 4th January 2017

Twin schools

Dear Parents and Guardians,

As you are no doubt aware, Salisbury is twinned with Saintes in South West France. Through the Twinning Association, Sarum St Paul's Primary School has now established a link with a primary school in Saintes.

We will be exchanging letters and photographs across a variety of topics over the year. Where appropriate, only class groups of children will be photographed and no individuals will be named.

We are really looking forward to sending and receiving mail (email will not be used) and hope the children enjoy the experience of communicating with real French children!

If you have any questions regarding this new initiative, please do not hesitate to contact the school.

With kind regards and Bonne Année!

Mrs P Lawes
Languages teacher
