Dear Parents/Carers

**Important Notice About
Mobile Phones and Similar Items**

Over recent years there has been a steady increase in the number of children bringing mobile phones, iPods, Nintendo DS and other similar electronic items to school. It has always been school policy that such items are left with the school office for safekeeping during the school day and then reclaimed at the end of the school day.

In the light of recent increases in numbers this policy has had to be reviewed. Not only is there now an issue of storage but with the numbers of items now being left at the school office it is not possible for the office to safely administer this process as it stands.

Please note, therefore, that it will now only be possible for a child to bring such items to school if the tear off slip below is completed and returned **AND** the item is enclosed within a sealed envelope each day it is brought to school. It will also be necessary to write the child's name and class on the front of the sealed envelope.

Yours sincerely

MR R Orr
