

Keeping our Children safe online

Some of your children may have been lucky enough to have received an X Box recently or at some time in the past.

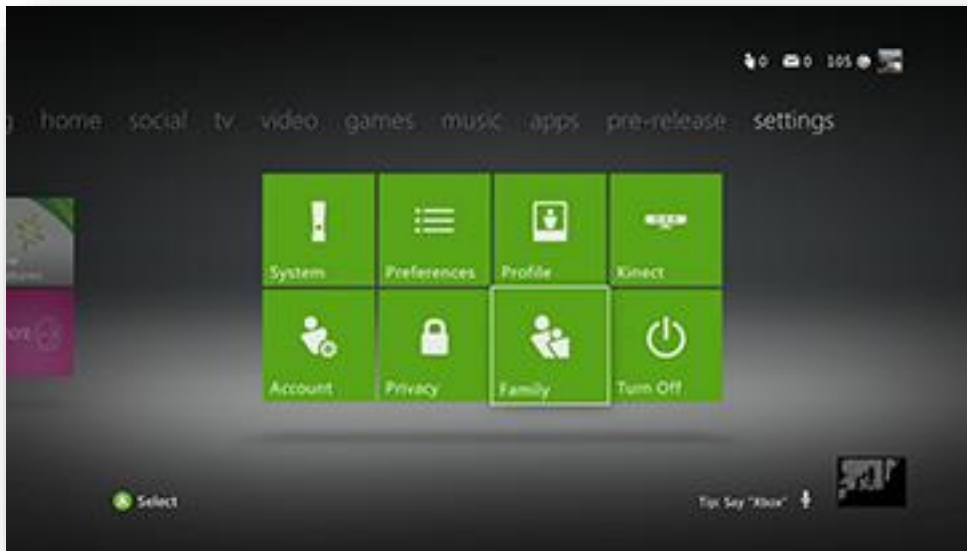

The following slides will hopefully help you to enable some security settings to help keep them safe online.

Set parental controls on your Xbox 360 console

1) On your console, go to Settings, and then select Family.

- 2) Select the gamertag of the child whose settings you want to adjust.
- 3) Under Privacy & Online Settings, select Change Settings.
- 4) Update the settings and then exit the screen to save

What can I control on the console?

You can control the following on your Xbox 360 console:

- **Ratings and Content:** These settings let you restrict games and video content based on the content's rating. You can also set whether or not unrated or explicit content can be played on this console.
- **Tip** You can set up exceptions for individual games that are outside of the rating restrictions you've set.
- **Family Timer:** This setting allows you to limit the time your console can be used on a daily or weekly basis.
- **Xbox Live Access:** This setting allows you to decide if your family can connect to Xbox Live from this console.
- **Xbox Live Membership Creation:** This setting allows you to control whether or not new Xbox Live memberships can be created from your console.
- **Change Pass Code:** This setting allows you to change your pass code.
- **Reset to Default Settings:** This setting allows you to reset the settings to their original factory settings.

To set the Family Timer

- 1) On your console, go to Settings, and then select Family.
- 2) Select On to turn on Console Safety.
- 3) Enter a 4-button pass code using your controller.
- 4) Select Family Timer.
- 5) Select whether you want to set a Daily or Weekly timer.
- 6) Move down to the time period and use the left stick to increase or decrease the time period, then select Continue.
- 7) Select Save and Exit.
