

Booking a holiday or hotel?

Use School Angel to book and you will raise money for your child's school too.

It won't cost you a penny more.

We're working with School Angel to raise money for a playground shelter. We've raised nearly £200 so far, but we need £5,000! Please help us by using the School Angel website to visit the online shop of your favourite brands. You are guaranteed to pay the same price and our school will also receive a donation.

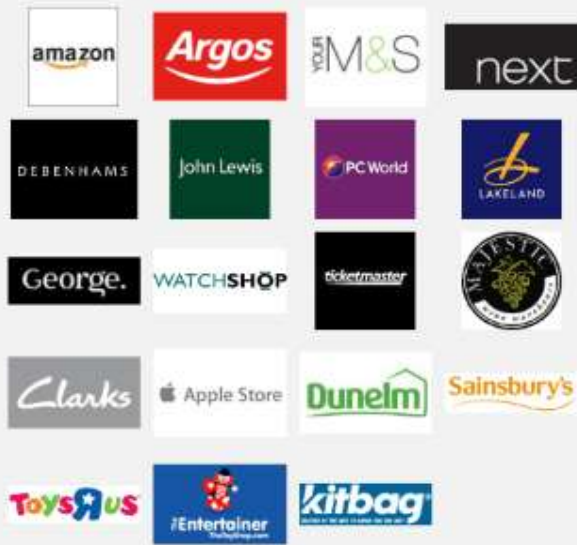

Many thanks for your ongoing support. Every purchase you make will really make a difference.
