13th January 2017

We are moving !

From Monday 16th January 2017 the Learning Zone will be based in the main school building. This is an exciting change for the club, which will mean that we have extra facilities and opportunities for the children.

A typical timetable for a session will begin with time in our new library, either reading stories or completing homework. This will be followed by snack time in the school hall. Children will then choose from a variety of activities which will include, sports, table top games, play-dough, painting, or computer games in the ICT suite. Each week there will be special activities such as baking and film nights.

We are really thrilled to be able to utilise all the facilities within main school so that the children will enjoy and experience such a variety of fun and enjoyable activities during the after school club.

From Monday 16th January please collect your child from the main school entrance.

Should you have any questions regarding the club please call into the club or ring the school office on the above number.

I look forward to working with you over the next year.

Yours sincerely

Mrs Bissette
The Learning Zone Manager
