Dear Parent/Carer

We are on Facebook!

In today's world, social media is fast becoming the most effective way to communicate and we felt it was time we took advantage of this.

Our Facebook will be used to let you know about upcoming events, reminders of dates for your diary, copies of school letters and an insight in the life of school. All classes will also publish regular items such as photographs of displays and children's work, amongst other things.

We have decided to keep all children off the page, so no photographs or names of any children will be posted. We feel this is the best way to ensure our page remains a platform for sharing information safely and securely. The Facebook page will be open for all to view and like, however, any additions to the page will be submitted for clearance by the page Administrator. This way, we can be sure the page is being used for its original purpose, which is to keep everyone up to date and in the know.

The link to our Facebook Page is <https://www.facebook.com/Elkesley-Primary-and-Nursery-School-1698582147119465/> or you can search Elkesley Primary and Nursery School and you will find us.

If you have any questions, please feel free to ask.

Yours sincerely
