

Carrie Old

All of my children have attended Shears Green Infant School, with my youngest currently in Key Stage 1.

I am a full time working mum working in the Education sector, and decided to stand as a parent governor to help the school go from strength to strength by offering a parent's perspective, as well as using my own knowledge and understanding of education to support the school.

I am committed to ensuring that the children and families attending Shears Green Infants are given the support they need to help them to be happy, confident achievers!
